Background
Entertainer (Gladiator)

A gladiator is as much an entertainer as any minstrel or circus performer, trained to make the arts of combat into a spectacle the crowd can enjoy. This kind of flashy combat is your entertainer routine, though you might also have some skills as a tumbler or actor.

Using your By Popular Demand feature, you can find a place to perform in any place that features combat for entertainment—perhaps a gladiatorial arena or secret pit fighting club. You can replace the musical instrument in your equipment package with an inexpensive but unusual weapon, such as a trident or net.
